Original Radio Broadcasts : Lum Abner Vol 3 (Old Time Radio) (Classic Radio Comedy) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lum Abner Vol 3 (Old Time Radio) (Classic Radio Comedy):

The sound quality is very good (for something this old).Its a shame that this kind of clean humor is long gone.1 of 1 people found the following review helpful. Excellent Sound!By Lonestar81These radio shows have been remastered and they sound great! If you enjoy Lum Abner I think you will really be happy with this collection.

The boys from Pine Ridge get quite an education when the town finds itself in need of a new school teacher. The candidate they hire is eminently qualified and not at all what president of the school board, Lum Edwards, had in mind. Professor Sloane, tireless in the pursuit of knowledge, spearheads ambitious plans for an observatory, a rocket ship, and a trip to Mars manned by none other than Lum and Abner! With financial backing from the unscrupulous Squire Skimp, the duo declares themselves scientifics and set their sights on the stars. Chester Lauck and Norris Goff star in 36 consecutive digitally restored and remastered episodes.
