**Tribune Media Services : Lunar Jumble: A Total Eclipse of Puzzles! (Jumbles)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lunar Jumble: A Total Eclipse of Puzzles! (Jumbles):

0 of 0 people found the following review helpful. Too LargeBy Carolyn CrickI think the letters are too large. We are in our 70's and have glaucoma, and macular degeneration, so our eyes aren't too great but these letters and the book itself could be a little bit smaller in order to be carried places and we could still read it easily. Other than that we are very satisfied. Thank you0 of 0 people found the following review helpful. Another good jumble book.By RobinI bought this for my husband and he always loves these. Sometimes there might be a mistake in a puzzle, but the answers are in the back, so they are fun to do.0 of 0 people found the following review helpful. Puzzles are simpler than I expectedBy bookwinkedThe book is laid out well - large size print and puzzle which makes it easy to fill in the puzzle blanks. I bought two of these for adults and expected the Jumbles to be a bit more difficult than they are. I would recommend this book for bright kids 10-12 and maybe even up to 16.

Wordplay enthusiasts will be over the moon for this collection of Jumble puzzles and stimulating brain exercise that's as entertaining as ever. For more than 40 years, millions of newspaper readers have delighted in solving the daily Jumble, which appears in hundreds of national papers and in these puzzle books that offer hours of challenging wordplay and fun. Each page features a series of mixed-up words coupled with a cartoon clue, and one letter from each word is used to form the answer to the puzzle.

About the Author Tribune Media Services distributes media products in a variety of languages and formats, including news, comic strips, television listings, and other information services, to international publications. They are based in Chicago.
