Joseph S. Madachy : Madachy's Mathematical Recreations before purchasing it in order to gage whether or not it would be worth my time, and all praised Madachy's Mathematical Recreations:

1 of 1 people found the following review helpful. Five StarsBy walter jorisGood book for lovers of math puzzles. Very visual.
0 of 3 people found the following review helpful. Math bookBy Lester G. FrazierI lost the book somewhere in

the house. But initial read seems too deep for me; maybe I'll understand more as I get into the book, if I can find it.
