**From Brand: G. Schirmer, Inc. : Madama Butterfly: Libretto** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Madama Butterfly: Libretto:

6 of 6 people found the following review helpful. Adequate libretto By M. J. Sweet This is a perfectly adequate edition of the Italian libretto; the English translation, however, often bears little or no relation to the Italian text. So, unless you are totally fluent in Italian (and even native speakers have some trouble with the archaic-poetic language used in operas), be prepared to look up a lot of words.

(Opera). Italian/English.
