**Milbourne Christopher : Magic: A Picture History** before purchasing it in order to gage whether or not it would be worth my time, and all praised Magic: A Picture History:

Most profusely illustrated history of stage magic ever published, brimming with rare photographs, lithographs, woodcuts, engravings, much more. Enjoy a colorful cavalcade of costumes, stage settings, magic apparatus, advertisements, related memorabilia, along with fascinating anecdotes about magicians from the time of the Pharaohs to Houdini. 295 illustrations, 8 in full color. Index.
