By Kate70 This calendar is a blast from the past, and I can't wait to hang it when 2016 comes! I have been looking for a Magic Eye for some time around the local stores here, and they have not delivered! I am well-satisfied with this product! 0 of 0 people found the following review helpful. Good large calendar. By Safire Large wall calendar with space to write stuff on the days. I keep this in my kitchen to help keep organized. I love the magic eye pictures, 4 stars only because some of them are very simple and expected more intricate pictures but all in all very satisfied with this calendar.

Today's obsession with all things 3D can be traced back to the advent of the Magic Eye craze. Still a source of fascination, Magic Eye images can be viewed without glasses or devices and are even used by vision specialists to improve their patients' sight. This calendar provides 3D lovers with twelve new Magic Eye illusions, along with a solution key and viewing instructions on how to make the 3D images amazingly come into focus.

About the Author Magic Eye(R) ignited the worldwide 3D craze of the 1990s. In fact, Magic Eye I, II, and III appeared on the "New York Times" best-seller list for a combined 73 weeks.
