Harry Baron : Magic for Beginners before purchasing it in order to gauge whether or not it would be worth my time, and all praised Magic for Beginners:

1 of 1 people found the following review helpful. Nice one...By AJ The great It is a nice book, containing many nice tricks, and even illusions. You can start your magic with this book, but if you want to become a serious magician, this is not enough. AJ

Magic/Hobbies paperback book. Prima Publishing. Distributed to the trade by St. Martin's Press. Approximate size, 5.50 x 8.25. Total 161 pages. The pages are age toned due to aging of book. Harry Baron, Author. Illustrated by Dennis Patten. 1991 Edition. Several small creases on the paperback covers front and back. The covers show light wear and rubbing on the edges. The pages are clean and without markings and tears. The spine is tight and straight. "With this book you can amaze your friends. Inside, over 75 professional caliber routines, clearly explained and illustrated for ease of presentation. Here, at last, is a magic book for all age groups that offers simple yet highly effective tricks and illusions, many of which are favorites among today's professional magicians. Written by one of the world's most respected magic writers and inventors, here are over 75 carefully chosen tricks designed for their sure fire effectiveness. You will learn to perform telepathic and mind reading magic, baffling card tricks, and spectacular illusions. So rest assured, with the guidance of Harry Baron and the desire to learn, you, too, can become a

dramatically effective magician in an astonishingly short time." Hard to find this book in most used book stores. Don't let this one get away, order now! *7BC3
