Kevin Yee, Jason Schultz : Magic Quizdom: Disneylandia Minutiae Semper Absurda before purchasing it in order to gage whether or not it would be worth my time, and all praised Magic Quizdom: Disneylandia Minutiae Semper Absurda:

0 of 0 people found the following review helpful. Good info for Disney Trivia EnthusiastsBy J. StoneAs someone who frequents Disneyland about 40 times a year thanks to an annual pass, I thought I knew everything about Disneyland. This book gives valuable insight to little known facts. Sure, maybe they can be looked up on the internet or are

common knowledge to some, but it's nice to have it all in a nice, inexpensive little book. In fact, my wife and I have taken this book to Disneyland to verify some of the information. If you want a different slant on history, background and secrets of Disneyland, this is a good place to start.0 of 0 people found the following review helpful. Magic Quizdom DisneylandBy K. Mrasbought used, I knew it was slightly outdated but loved the trivia and information. It was written in question and answer form but would have loved it in just narrative. Either way, I learned alot from this book. Great used condition, fast shipping. Thank you.2 of 2 people found the following review helpful. A Disney Trivia Buff Must HaveBy M. WilsonThis book gives you some great little unknown facts in a fun format. A must if you are a true Disney nut!

The trivia book of choice for Disneyland fanatics! Designed to appeal to both casual Disney lovers and hardcore fans, Magic Quizdom features trivia questions with three levels of difficulty, with the hardest questions left open-ended rather than multiple choice. Best of all, the answers to the trivia questions, given in their own sections, greatly expand upon the matter at hand. Paragraph-length answers provide additional details, explain the history behind the magic, and make connections between the modern-day Disneyland and its past. Disneyland is jam-packed with details of historical and cultural relevance - you just have to know where to look! It's a book by fans, for fans - but one that remains relevant and fun even for the casual Disney observer.
