Alexander Norland : Magic The Gathering: Deck Building For Beginners (MTG, Deck Building, Strategy) before purchasing it in order to gage whether or not it would be worth my time, and all praised Magic The Gathering: Deck Building For Beginners (MTG, Deck Building, Strategy):

0 of 0 people found the following review helpful. Poorly Written with Very Little InformationBy Designer JoeAs a long time MtG player, I know a bit about the game. I got this book for my son, thinking it might show him a few

things I didn't know. Unfortunately, this book does little to teach you about the game. It's EXTREMELY basic, and lacking in detail. Sections are a little as a couple of paragraphs in most cases. Some don't even cover the topic. There is one section titled "Mana Curve", but all it does is tell you very simply what mana is used for. With no exaggeration, I could have written this book (but better) in an hour. I don't recommend this book for anyone. Not even beginners just getting started. 1 of 1 people found the following review helpful. Great guide for beginners! By Mary Vold This book provides you great tools especially for newbie. Magic the Gathering is an amazing game to play. At its core its a game of strategy, planning and execution. If youre deck is weak in strategy and you havent planned correctly youll never be able to execute a good game. This book has the strategy to win the game. 0 of 0 people found the following review helpful. Great card game, loads of fun! By Edward Magic of the gathering was a card game that I use to play when I was younger but dont now. But my kid does amazingly so decided to buy this book to learn back up what I knew. Not only did I find this book useful to read but my son did also. He especially liked the section on decks and how to choose a format and build a deck. Overall I found this book a great read to re-learn what I knew and for my son to learn some more about it. I might even go and buy a deck myself to play with my son now.

Do you want to start building winning decks? Are you worried about your weak decks that keep losing? Do you need a little push in the right direction?
