HelpBy victoria r coxThis was not what I expected, trying to find a price guide for value of older magic cards. Still looking???

A global games phenomenon, Magic: The Gathering is to the 1990s what Dungeons and Dragons was to the 1980s, but with the added dimension of collectibility. Here is the official reference to the biggest new teen/young adult fantasy game of the decade, complete with full-color reproductions of every existing Magic card. Foreword is by Richard Garfield, creator of the game. 2600 color illustrations.
