This book has made me a rock star!3 of 3 people found the following review helpful. A Magic Teacher's Dream BookBy DonB!In the process of looking for the right material

to teach for magic classes, I came upon this book. While skimming through it I found at least 25 great effects that are easy to make, easy to learn, and easy to perform. Plus, all of these are real foolers, in that they will fool those that they are shown to. This book is exactly what I was looking for, and maybe you are too. 0 of 0 people found the following review helpful. My kids are LOVING this book! By Jonquille I got it from the library and left it on the table - the rest has been hours spent on the magic, puzzles and more. The color photos clearly show how to do them. Good one!

A fun and fully accessible step-by-step guide to over 200 brilliant illusions, tricks, puzzles and stunts, including close-up magic, stage magic, optical illusions, party tricks, and much more.
