Answers many, many questions - except for 2!!By North Gate OutlanderSince learning MahJong from my friend Ellen, and playing weekly down in Florida, and Now in Michigan, I am hooked, and so are my friends! When starting I bought a lot of books, but the BEST is this Claire Fine book, I

searched almost daily waiting for the 2015 edition. Good rules, great hints. Can anyone answer these questions though? If someone draws a tile, either out of turn or doesn't rack it before someone else calls a discarded tile, what do we do with the drawn tile? Do we bury it in one of the walls? Next question: Someone has two Norths and two Jokers shown; a player discards a North (doesn't exchange for the joker) can a player pick up the discarded North for MahJong? (She isn't going to use the North for the exchange which I know is against the rules.) 0 of 0 people found the following review helpful. definitely not worth the \$15. does not even have ...
