**Giacomo Puccini : Manon Lescaut (Dover Music Scores)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Manon Lescaut (Dover Music Scores):

1 of 2 people found the following review helpful. The first Puccini's Masterwork By A Customer I don't know who wrote the short introduction to this score, but it's someone who simply does not have any idea about the opera: Manon Lescaut is a true, complete, mature masterwork by a composer whose astonishing craftsmanship is at the same level of his incomparable, and unanimously praised melodic gift. The Dover score is the reproduction of the most authoritative edition, and show the usual, excellent standard of all Dover scores.

Puccini's first great operatic success, and still a repertoire favorite, relating the story of a young girl who casts aside

her first love for prospects of a life of luxury, a move that ultimately proves disastrous. Authoritative Italian edition.

.com Manon Lescaut is one of Puccini's less successful scores, although many people prefer his slight astringency to Amassment's sweeter treatment of the same subject. It has some lovely moments, though, particularly for the tenor. This orchestral version has all the parts, but no English translation; you'll need your own, or a good Italian dictionary. About the Author Tosca is an opera in three acts by Giacomo Puccini based on the Victorien Sardou's dramatic play "La Tosca". Tosca is dramatic and beautiful. To this day it is one of the most frequently performed operas.
