From Ricordi : MANON LESCAUT LIBRETTO ENGLISH ITALIAN (Ricordi's Collection of Opera Librettos)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised MANON LESCAUT LIBRETTO ENGLISH ITALIAN (Ricordi's Collection of Opera Librettos):

2 of 2 people found the following review helpful. English Version is Performing Version, Not a TranslationBy Leo X CoxThis libretto was not useful to me. The English version contained herein is not a translation. It's a performing version. So what you have is a syllabic version for use in performing the opera in English. In order to make the English version fit the music, it doesn't really follow the Italian libretto except in a general way. If you need a libretto that is more faithful to the Italian, or for any other moderately popular opera, I suggest trying the Shirmer librettos. They're red too, so be sure you get the right one.0 of 0 people found the following review helpful. Libretto. Manon Lescaut di PucciniBy Jolyon S Tucker,The Italian libretto is fine. The English translation is in rhyme so that it is not a literal rendering. I prefer a non rhyming translation such as that of William Weaver JST

(Opera). Italian/English. Translated by Ducloux.
