**Marc Lemezma : Marc Lemezma's Card Magic** before purchasing it in order to gage whether or not it would be worth my time, and all praised Marc Lemezma's Card Magic:

Marc Lemezma is back with a dazzling new collection! And once again, hes revealing the simple principles and sleight of hand that underlie every amazing, baffling card trick. His easy instructions will help anyone who wants to

put on an impressive show. Lemezma explains how to force cards, lift them, make them disappear, and predict what will turn up. He even discusses the most famous card trick in the world, Find the Lady, and the increasingly popular gambling games, such as Texas Hold Em Poker. Its a fantastic grounding in the basics of card magic.

About the Author Marc Lemezma is a professional magical entertainer. His speciality is a unique form known as Bizarre Magick a combination of theatre, music and trickery. A member of the prestigious Magic Circle and the International Magician's Society, Marc has performed his magic all over the world including Europe and the United States. He is also the inventor of his own unique mind magic tricks. Marc Lemezma lives in Maidstone, Kent.
