It is NOT a starting book. If you buy it as your first vocal book you'll kill your voice. A lot of the exercises are quite difficult and have specific instruction on when and when not to

use them. 1 of 1 people found the following review helpful. Five Stars By Pam Ring Wonderful exercise book to help expand your voice...too bad there isn't a CD to go along with it. 3 of 3 people found the following review helpful. The exercises are breathtakingly beautiful, and keep the mind sharp. By KI am a singer and voice teacher and I absolutely adore this book. The exercises are breathtakingly beautiful, and keep the mind sharp.
