**Michael Sexton : Marconi: The Irish Connection** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Marconi: The Irish Connection:

The pioneer of radio communication, Guglielmo Marconi (1874-1937), had an Irish mother, Annie Jameson, and married, as his first wife, Beatrice O'Brien, daughter of Lord Inchiquin of Dromoland Castle, County Clare. This study traces Marconi's Irish and Italian family connections, and his work in Ireland, in particular the installations of his radio

signalling stations at Crookhaven, Ballybunion and Clifden, which in 1907 was the most advanced station of its kind in the world.
