**William O'Shaughnessy : Mario Cuomo: Remembrances of a Remarkable Man** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mario Cuomo: Remembrances of a Remarkable Man:

Governor Mario Cuomos life and accomplishments are part of the public record, but in Mario Cuomo: Remembrances of a Remarkable Man, William OShaughnessy gives readers an exclusive and a deeply personal, behind-the-scenes

look at the liberal Democratic icon. This poignant memoir, based on the authors thirty-eight-year friendship with Governor Cuomo, portrays the spiritual journey of a man who played many roles: inspirational political leader, moral compass, spellbinding orator, gifted author, legal scholar, and loving father and grandfather. He was, in OShaughnessys words, one of the most articulate and graceful public men of the twentieth century.
