No false advertising about the product and I am looking forward to using this guide to conquer this game successfully. Thanks very much.3 of 3 people found the following review helpful. Was great at launch. A little outdated now.By MustadioThis was great for seeing all the hidden stats for each part. It's a little outdated now though, since the Mercedes DLC and the first bundle DLC pack added a lot of new parts.1 of 1 people found the following review helpful. Was pretty happy with this guideBy Mr. HammerWas pretty happy with this guide. Good description of carts, wheels, gliders, tracks and

shortcuts. If you're looking for a cheater book, this does the job.
