Mark Wilson : Mark Wilson's Complete Course in Magic before purchasing it in order to gage whether or not it would be worth my time, and all praised Mark Wilson's Complete Course in Magic:

2 of 2 people found the following review helpful. The Perfect Book For Learning How To Be A Professional MagicianBy Delos D. HarrimanMagic makes for an interesting and rewarding career. It also makes for a great hobby. Do you sincerely want to learn Magic? Then this is the book for you because it is a complete course in Magic, covering all of the classic forms and effects, and is also full of sage wisdom on how to become a first-rate, professional magician. The author, Mark Wilson, began his remarkable career as a teenager and, along with his wife Nani Darnell, became one of the greatest magicians to have ever performed. Perhaps the Wilson's single greatest contribution to the art was convincing television networks (in the 1950s!) that Magic could be televised and enjoyed at home. Ever see Copperfield, Blaine, or Penn and Teller perform on television? Then be certain to thank Mark and Nani. In fact, Mark still teaches aspiring professionals, in person, at the Magic Castle in Hollywood. You couldn't ask for a better teacher. This book is well written, with easy to understand drawings and photographs. Early parts of most chapters cover easy to master or 'self-working' tricks to get you started and the latter parts of each chapter present more complex effects. There are even plans for full scale stage effects and sections related to presentation and professionalism to round out the course. Want testimonials from experts? There are literally dozens of highly respected, professional magicians who credit this book with inspiring and jump-starting their careers. Now you, too, can join them.1 of 1 people found the following review helpful. The different chapters cover stuff like card tricksBy Jacob DillardDefinitely buy this one if you want to learn magic! There are many different kinds of tricks in it, each

type categorized into it's own section/chapter. The different chapters cover stuff like card tricks, coin/money tricks, vanishes and re-appearances, handkerchief magic, sponge-ball magic, illusions, and much, much more...Don't go into magic as a beginner without this book, and I'm saying this from experience after having impressed my friends with a lot of the stuff I learned from it! Trust me, you will learn a lot of stuff very quickly from this one. And if you practice a lot of these, you could possibly pull off a party gig...0 of 0 people found the following review helpful. Mark Wilson's complete course in magicBy Kindle CustomerThis is a great book on learning magic from one of the best magician around. I can remember seeing him and his family on t.v. and his book is easy to learn from.

Mark Wilson's Complete Course in Magic503 pp. "From one of the world's premier practitioners of classic magic, with years of experience instructing younger readers in the magical arts, comes this new revision of his complete guide to learning and performing fantastic feats of prestidigitation. Acclaimed by the Los Angeles Times as "the text that...young magicians swear by," it's full of step-by-step instructions. More than 2,000 illustrations provide the know-how behind 300 techniques, from basic card tricks to advanced levitation, along with advice on planning and staging a professional-quality magic show."Keywords: MARK WILSON COMPLETE COURSE IN MAGIC ENTERTAINMENT HUMOR
