Great book, but there is one that's better . . .By Bradley BeversThis book is good, but really just excerpts from the much better Mark Wilson's Complete Course in Magic. I can't imagine why you would want to pick up this book and not that, as the complete course is only \$15. Great tricks here, but get the more thorough edition and you will have a better book.1 of 2 people found the following review helpful. Cheapest Yet GreatestBy A CustomerThe book has step by step illustration that can help you understand the tricks better. You will be an instant magician after reading the book just once

Mark Wilson shows how to perform 70 mesmerizing card tricks in very little time in this handbook for amateurs and beginners. '
