Marty Bergen : Marty Sez (Points schmoints series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Marty Sez (Points schmoints series):

than one page. Although not as charming or entertaining as his prior book, it is still useful. 0 of 0 people found the following review helpful. Great book for bridge player By Emi Kaiwa Even though this edition is nearly twenty years old, it is still a good book to read and learn. The book I received is in a very good condition. I am enjoying reading it. 0 of 0 people found the following review helpful. Three Stars By Mary Louise I intend to give them as gifts to my bridge group.

Bridge book, like my others; POINTS SCHMOINTS etc.

Entertaining and enlightening. Another great bridge book from Marty Bergen, possibly his best. -- National Bridge magazine
