**Sunil Chugh : Math-A-Day** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Math-A-Day:

366 days of mathematical problems and puzzles and Thought of the Day from luminaries of science. This book is

different: It will never get out of date You can use it day after day, year after year: 24x7 Math-a-Day is a book to make mathematics part of our lives. This is not a calendar nor a reference book but a compendium of mathematical information that will give you your math fix every day of the year. Keep abreast with your mathematical aptitude and more... Each day has a THOUGHT by luminaries in the field of mathematics to brighten your day. Believe It or Not in Mathematics is full of surprises. Math-a-Day needs attention day in and out.

About the AuthorSunil Chugh is a mathematics enthusiast. He has been teaching secondary, higher secondary and IIT/JEE level mathematics for nearly two decades. He makes mathematics fun. He conducts seminars and refresher courses for school teachers. He demonstrates the fact that none can ever be good enough at maths; you can always get better!
