From Cider Mill Press : Math Block before purchasing it in order to gage whether or not it would be worth my time, and all praised Math Block:

0 of 0 people found the following review helpful. Fast shippingBy JHoustonGreat! Fast shipping. Five stars all the way!

Not for the faint of heart, Math Block features a range of mathematic problems, puzzles and mazes, from easy-as-pie to brain-crushingly difficult, to challenge your noggin when it's in need of some exercise, all in a fun 3x3" block.Hope you remember those mnemonic devices because Please Excuse My Dear Aunt Sally, you're going to need them! With over 600 pages of puzzling riddles, word problems, logic puzzles, Sudoku and KenKens, mazes, chess puzzles, and traditional math equations, this "Rubik's cube for math minds" will test your knowledge of arithmetic, geometry, logic, patterns, statistics... and even some calculus. Keep a copy on your desk to keep your mind sharp, or give as a gift to the problem-solver in your life.

About the AuthorBrendan Emmett Quigley writes crossword puzzles for The New York Times, Time Out, and The Onion,among others. He can be seen playing moog and singing for The Campaign for Real-Time.
