Paul Hambleton : Mathematical Team Races: 17 Ready-To-Use Activities to Make Learning Mathematics More Effective and More Fun! for Ages 13-16. before purchasing it in order to gage whether or not it would be worth my time, and all praised *Mathematical Team Races: 17 Ready-To-Use Activities to Make Learning*

Mathematics More Effective and More Fun! for Ages 13-16.:

A team race is a classic idea - your team wins by answering all the questions correctly in the fastest time! Students enjoy the activity immensely and the quality of learning and discussion taking place is very high.
