**(author) Calvin C. Moore : Mathematics at Berkeley: A History (Hardback) - Common** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mathematics at Berkeley: A History (Hardback) - Common:

Presenting the history of the mathematics department at the University of California, Berkeley, this work describes how this institution evolved from a single faculty member at a financially-troubled private college into a major research center that is ranked among the very best in the USA and in the world.
