They're not easy altho some are easier than others. Every once in a while I cheat and start at both ends, hoping they'll meet in the middle. Then when I feel guilty I do one in ballpoint instead of erasable pence as penance. The pages will take some erasing, but those indelible pens do show through on the ir back a

bit. Sometimes I time me with a kitchen timer, sometimes I don't. Last week this region was snow-and-iced in and I didn't get any cabin fever, just pulled out this maze book and did a couple of mazes. I hope the book's artist-designer-maze constructor has a new collection by next winter !
