Yonatan Frimer : Mazes to Amaze: Find Your Way Through the Illusion before purchasing it in order to gage whether or not it would be worth my time, and all praised Mazes to Amaze: Find Your Way Through the Illusion:

0 of 1 people found the following review helpful. Three StarsBy Cliente de Good price, shipping and handling. Not met my expectations still do not understand3 of 3 people found the following review helpful. Fun UniqueBy D. WeismanMazes bring me back to my childhood. I was captivated by the puzzle; I was challenged by the process. And I still have a soft spot for them, but somewhere along the way I kind of grew out of them. They weren't as challenging or whimsical or entertaining anymore.But Frimer's mazes are different. They bring back that joy of mazes with intelligent and whimsical designs. These mazes will be a crowd pleaser for adults and children, a conversation piece for when friends come over. I haven't had so much fun with mazes since I was a child. You will too.

What you see in the maze on the cover is a visual illusion and a tricky maze at the same time. It is one of many such in this fascinating book. The maze starts in the upper left corner and ends in the lower right when looking at the illusion is over.
