**From Nick Couldry : MediaSpace: Place, Scale and Culture in a Media Age (Comedia)** before purchasing it in order to gage whether or not it would be worth my time, and all praised MediaSpace: Place, Scale and Culture in a Media Age (Comedia):

Media Space explores the importance of ideas of space and place to understanding the ways in which we experience the media in our everyday lives. Essays from leading international scholars address the kinds of space created by media and the effects that spacial arrangements have on media forms. Case studies focus on a wide variety of subjects and locales, from in-flight entertainment to mobile media such as personal stereos and mobile phones, and from the electronic spaces of the Internet to the shopping mall.

About the Author Nick Couldry is Senior Lecturer in Media and Communications at the London School of Economics and Political Science. He is the author of *Media Rituals* (2003), and *The Place of Media Power* (2002), both published by Routledge. Anna McCarthy is Assistant Professor of Cinema Studies at New York University. She is the author of *Ambient Television*.
