Thank You!0 of 0 people found the following review helpful. GreatBy HeatherGreat service! There is nothing that needs to be improved at all. Will buy from again sometime in the near future.0 of 1 people found the following review helpful. megaman meets final fantay like elements? heck yeahBy father and husbandI'm a rpg player, and this is a great merge of turning a big classic with the rpg elements. Very enjoyable, a few challenging moments to make it feel like an accomplishment here and there, but not crazy hard so

that I have to go out and buy a few more controllers cause they somehow desired to fly against a wall when I get angry. I think controllers are allergic to my anger, they tend to fly from my hand when I get overly frustrated. Weird. I've played it through three times. First time was great, second and third even better

Thwart the Evil Plans of the Liberion Army with our Strategy Guide!
