W. S. Rockstro : Mendelssohn (Classic Reprint) before purchasing it in order to gage whether or not it would be worth my time, and all praised Mendelssohn (Classic Reprint):

Excerpt from MendelssohnAmong the once celebrated but now almost forgotten Art-centres of northern Europe, the nurseries of Song, the foci whence, from time to time, bright flashes of creative genius have radiated far and wide, few

have laid the world under deeper obligations than sober, business-loving Hamburg. When German Opera was in its infancy, the inhabitants of the old Hanse town fostered its early efforts with a well-directed zeal which soon led to its acceptance as an independent manifestation of inventive power. The earliest Singspiel that was ever publicly performed in the German language - Johann Theile's Adam und Eva - was first produced at Hamburg, in 1678.
