**From Music Minus One : Mendelssohn - Violin Concerto in E Minor, Op. 64: Music Minus One Violin** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mendelssohn - Violin Concerto in E Minor, Op. 64: Music Minus One Violin:

6 of 6 people found the following review helpful. a very good music minus one By S. Avalos If you're a violinist ready for a workout, this is a good one. I have found that the music minus one concerti typically suffer from too slow a tempo. They're a great addition to practice (and of course, fun fantasy) but just a bit too slow. This (I should say these) versions of the Mendelssohn violin concerto break that mold. There are three different versions; a "practice" tempo, a "traditional tempo" and a full-out modern concert tempo; the speed popularized by Heifetz, I think. It'll take a few

times to get used to a couple strange excessive retards and then complete lack thereof in other expected areas -- but overall, it's a fun ride.0 of 0 people found the following review helpful. Five StarsBy chloris carlsonVery good I love to play along with a great orchestra. I am Orion Carlson, Husband of Chloris..0 of 0 people found the following review helpful. Five StarsBy Denise FlintThis MMO was an excellent version with several options. All I thought it would be and more!

(Music Minus One). Performed by Geoffrey Applegate, violin Accompaniment: Vienna Symphony Orchestra  
Conductor: Franz Litschauer Felix Mendelssohn worked on this concerto for six years. It is truly one of the most beautiful and popular in concerto literature eloquent, passionate, lofty, and brilliant. A romantic-era classic of epic proportions. This new version with online audio of one of MMO's most popular editions features an "urtext" score with orchestral reduction. The audio is accessed online using the unique code inside each book and can be streamed or downloaded. The audio files include PLAYBACK+, a multi-functional audio player that allows you to slow down audio without changing pitch, set loop points, change keys, and pan left or right.

About the AuthorHelping educate musicians since 1950, Music Minus One provides performers at every skill level, an easy way to study, rehearse and perform with professional musicians in the comfort of their own homes.
