I actually just read one or two subjects right before bed or when I had five minutes to kill. The authors have a great sense of humor while teaching you interesting facts about people in history, or literature, etc. I would buy more of these. 0 of 0 people found the following review helpful. Kind of lame By Jacqueline Bought as a gift for a twenty something, pretty "meh" overall, tired cliches and not very useful as party chatter 0 of 0 people found the
