**Brian Priestman : MESSIAH DER MESSIAS STUDY SCORE (Edition Eulenburg)** before purchasing it in order to gage whether or not it would be worth my time, and all praised MESSIAH DER MESSIAS STUDY SCORE (Edition Eulenburg):

1 of 1 people found the following review helpful. Imaginative and Prophet9By Miranda Joyce ChildeWhen you consider that Gore Vidal was only 22 years old when he wrote this book, it boggles the mind that one so young could have such a deep understanding of the great philosophical themes : life/death, good/evil, right/wrong.I enjoyed Messiah very much. I am a major Gore Vidal fan and have read all of his major novels except Myra Breckinridge and Messiah. This book will stay with me for quite a while. Lots to think about here1 of 1 people found the following review helpful. an ominous take on American religiosityBy audrey francesGore Vidal is a superb writer. He has a way

with words that is evocative and beautiful, and in this short novel he takes satiric aim at religion, as undertaker John Cave (and his followers, including our narrator), manage the formation of a new religion. Cavites gradually become more aggressive and more intrusive. The narrator observes this and has misgivings at the time, but it is his perspective from 50 years in the future, when he is exiled and incognito, that haunts the narrative. Very enjoyable. 0 of 0 people found the following review helpful. Vidal strikes again By The Buyer I have every book by Gore Vidal whose work I adore. This one is right up there with his best work. A nice change from his historic novels.

The wordbook for Handel's famous oratorio accompanies two cassettes featuring London's Academy of Ancient Music (Christopher Hogwood conducting), the Choir of Christ Church Cathedral, Oxford, and outstanding soloists, in a complete performance of Messiah .
