Used for performance, and will keep for future performances. Excellent!0 of 0 people found the following review helpful. It's Messiah. What else to say?By L. TaylorThe print quality is good, so if it's a Shirmer edition you need, this one will work for you. The price is certainly reasonable.

Handel's sacred oratorio Messiah is one of the most famous and well known in the choral repertoire. This version has been edited by Watkins Shaw. This is the Cello and Double Bass part.
