From Brand: Roger Dean Publishing Company : Messiah: The Christmas Chorus Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Messiah: The Christmas Chorus Edition:

At long last, a definitive edition providing an authentic and fresh perspective on this time-honored oratorio. Since the page layout remains identical to the old Schirmer/Spicker edition, you can now replace worn copies with this new

publication that has been entirely reedited. Based on Handel's autograph and conducting scores, Van Camp corrected over 100 notational and textual errors which appeared in the Spicker edition and also provided fine keyboard accs comfortably under the fingers...with the original bass line fully restored. Singers will rejoice now that the music pages are no longer cluttered with editorial footnotes and annotations. Instead, endnotes are used to provide comprehensive and practical information. Other features included the addition of text sources, breath marks, measure numbers, timings, rehearsal and performance suggestions, and much more. The pagination and layout of the vocal score match the old Spicker edition, so you can use the two of them together without confusion.
