It might be a little big, but the perfomers additions make it worth owning. I'll definitely be keeping it in my library.0 of 0 people found the following review helpful. Love it!By Donald F. Messiah: Vocal Score HardcoverBy Chester LaneThis is a handsome, durable edition, worth twice the price for any vocalist who treasures Messiah and plans to perform the piece in concert or join a holiday singalong.

(Music Sales America). The world-famous Novello choral edition of Handel's beautiful masterpiece. Arranged for SATB with piano part. Edited with piano reduction by Watkins Shaw.
