Dan Birlew : Metal Gear Solid 3: Snake Eater Official Strategy Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Metal Gear Solid 3: Snake Eater Official Strategy Guide:

0 of 0 people found the following review helpful. SolidBy Joseph CarpenterPaperback game guides have become somewhat obsolete with free online versions being so accessible but sometimes it is nice not to have to go to your phone or computer to find every Kerotan location there is. I'm replaying this game on the legacy collection and never took the time to compete all the bonus items with the first play-through. If you can get over paying \$3.99 shipping for a \$1.50 purchase it is worth it.0 of 0 people found the following review helpful. Four StarsBy Jensen ReedIt has all the details of the classic game inside0 of 0 people found the following review helpful. if you plan on leaving the jungle alive well you need this guide because you eat snakes in this gameBy thomas henryThe metal gear franchise has been around for quite sometime but you see the games are meant to be hard like the nes one you got a map with it and now on the newer systems they make guides for the games so this guide right here is for the PS2 version of metal gear solid
