From Piggyback Interactive : Metal Gear Solid 3: Snake Eater - The Official Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Metal Gear Solid 3: Snake Eater - The Official Guide:

4 of 5 people found the following review helpful. far better then the BRADYGAMES guide andin my apinion byfar the best guide outBy Jamesthis giude is way better than the BRADYGAMES guide this ones goes into more detail of what there telling you.Plus this ones got the secret things like items to find and areas or easier ways to defeat the boss's yep this is the totally package to the metal gear solid 3:snake eater game and if u have the game but haven't finished it then you really should get this guide.Even if you've beatin the game but dont really wanna do the same stuff over and over then you should get this guide it'll make the replay worth it.Bottem line if u own metal gear solid 3 sanake eater then buy this guide.0 of 1 people found the following review helpful. Meta Gear Solid 3 Snake EaterBy

seanthe cynical Highly informative. Recommended for any one that is a fan of Metal Gear or any one having trouble finishing the game.
