**Felix Mendelssohn, Music Scores : Violin Concerto in E Minor (Dover Miniature Music Scores)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Violin Concerto in E Minor (Dover Miniature Music Scores):

By Dale Rickert  
Thinking I was receiving a "usual" sized music book, I was surprised when I received something much smaller, making it difficult to read the music. If I were to use it, I'd have to copy it to a much larger size.

Long one of the most beloved concertos in the violin repertoire, this work features important formal innovations that place it on a par with the most significant works in the genre, including the violin concertos of Beethoven and Brahms.

An utterly carefree mood permeates the work.
