0 of 0 people found the following review helpful. Bruch Violin Concerto #1 By Brad Keimach The score arrived exactly as promised. It is legible, clear, and big enough to read easily, for a study score. And it is exactly that, since it cannot open flat without breaking the binding. The recording that came with it was ok, although not the greatest performance. YouTube has some good performances, so one isn't left high and dry. All in all, a good product at a good

price.
