Too Many Hands in the PotBy Jackie PowersThis is a fun book for kids who play violin but it doesn't focus on anyone one type of song and I think that hurts it. It has some christmas, classical, nursery rhymes even some music from other countries we had never heard before. I would have liked to seen more nursery rhymes and folk music.Since it didn't list the songs, I will list them here:AloutteAmazing GraceAmerica the BeautifulArroz Con LecheAserrin, AserranAura LeeCielito LindoFor He's a Jolly Good FellowFrere JacquesGo
