Robert Schumann : Violin Sonata No.1 by Robert Schumann for Piano and Violin (1851) Op.105 before purchasing it in order to gage whether or not it would be worth my time, and all praised Violin Sonata No.1 by Robert Schumann for Piano and Violin (1851) Op.105:

0 of 0 people found the following review helpful. Extremely Poor Quality PhotocopyBy JRCThe print quality is horrendous. Appears to be a very poor photocopy. No violin-only part. I'm amazed that any reputable publisher would sell this garbage. I will never purchase anything published by "Classical Music Collection." You can get the UrText for about the same price (I was lured by the slightly cheaper price of this). This goes back.

This volume presents the complete score for Robert Schumann's 1851 violin sonata, Violin Sonata No. 1. Robert Schumann (1810 1856) was a seminal German composer and esteemed music critic. When his piano teacher assured

him that he could be the most accomplished piano virtuoso in Europe, he dedicated his energies to this end. However, a severe injury to his hand meant that his dream could never be realised. Instead, Schumann focused on composing. He chiefly wrote compositions for the piano until 1840, at which time he began branching out, composing for orchestra and writing symphonies, operas, and other choral and chamber pieces. Some of his most famous compositions include: *Kinderszenen*, *Album für die Jugend*, *Blumenstück*, and the *Sonatas and Albumblätter*. Today, Schumann is generally considered to be one of the most important composers during the Romantic era. Schumann expressed dissatisfaction with his first violin and piano sonata, which is the reason he gave for writing a second. This volume features large, clear note heads and wide margins, making this edition perfect for studying and following the music. Classic Music Collection constitutes an extensive library of the most well-known and universally-enjoyed works of classical music ever composed, reproduced from authoritative editions for the enjoyment of musicians and music students the world over.
