This deluxe 2 CD set includes a second slow-tempo practice version of the accompaniments to help you as you learn each piece. Includes a high-quality printed music score and a compact disc containing a complete version with soloist, in digitally remastered stereo, followed by a second version in full stereo of the orchestral accompaniment, minus the soloist; and a second CD featuring a full-speed version of the complete version followed by a -20% slow-tempo version of the accompaniment for practice purposes.
