From Belwin Music : Waltzes (Belwin Classic Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised Waltzes (Belwin Classic Library):

0 of 0 people found the following review helpful. Great!By CustomerThere are not only jolly tunes, but also some more melancholy ones. Lovely book.2 of 3 people found the following review helpful. Great editionBy pianolady24/7I haven't actually started working on the waltzes in this book, but I eagerly anticipate doing so. The pages lie flat on the piano rack; the printing is clear and very readable. An excellent edition for students as well as teachers.0 of 1 people found the following review helpful. but I was completely satisfied when I got itBy Misty WalkerIt took a while to get the order, but I was completely satisfied when I got it.

Schubert wrote 452 short dances and this collection presents 52 of the most beautiful, melodic, and expressive waltzes written by this beloved composer. The editor carefully selected a representative sampling of the kind of dance music

Schubert must have improvised for parties. The Valses Nobles, Op. 77, D 969 are included in their entirety along with 18 of the Letzte Walzer (Last Waltzes), Op. 127, D 146. Other waltzes were chosen from Op. 9, Op. 18, Op. 33, and Op. 50.
