BradyGames : Warhammer 40,000: Dawn of War - Dark Crusade Official Strategy Guide (Warhammer 40,000 (Bradygames)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Warhammer 40,000: Dawn of War - Dark Crusade Official Strategy Guide (Warhammer 40,000 (Bradygames)):

0 of 0 people found the following review helpful. great product for \$2By sam c.its got lot of info on the game, units, maps, tactics but it doesnt include all maps and its in black and white. hey, i only paid a couple of dollars, so i think its great for this price. it would be great if they had a color guide with all the maps, i would be willing to pay \$40 for such a guide, but i dont know how many other players would. it has a website link but it doesnt appear to show in there.1 of 2 people found the following review helpful. Warhammer 40,000: Dawn of War - Dark Crusade Official Strategy Guide (Warhammer 40,000 (Bradygames))By Robert AdrianPoor quality, BW, images. Weak strategies. (yes, that's 1 penny) at Best Buy as part of a special sale they were having that day. There were some inaccuracies in the maps, and at least one map was missing entirely, but the information they did have was extremely useful in the campaign. My guess is they were working off a pre-release edition of the game and changes were introduced after the book went to press. At higher difficulty levels, you have to get right out and take the fight to the enemy immediately, and knowing where to find him often means the difference between defeat and victory. What I found most disappointing was the race descriptions. The guide contains a list of unit and building stats for each race, but certain details were lacking here too. (For example, the guide makes no mention of which units are capable of infiltration and which units can detect infiltrated units.)

BradyGames Warhammer 40,000: Dawn of War Dark Crusade Official Strategy Guide includes the following: A complete walkthrough of the entire game.
