Michael Knight : Warhammer 40,000: Space Marine: Prima Official Game Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Warhammer 40,000: Space Marine: Prima Official Game Guide:

1 of 1 people found the following review helpful. Good Beginner InfoBy Dale DesjarlaisThis guide gives a good overview/walkthrough of the game. It could be a better guide if it specified what actions should be taken if you are playing the easy, normal or hard settings and especially when acquiring servoskulls. Overall the guide does provide useful info if you are replaying the campaign if attempting to earn achievements. I'd recommend a revision or update when the DLC patch is available but otherwise very handy.1 of 1 people found the following review helpful. Good Overview of the GameBy Kim LemasterThis is a good overview for someone completely new to the game. It includes a walkthrough of the campaign and multiplayer information. If you have played the game for a while, it will be of limited use.0 of 1 people found the following review helpful. Five StarsBy Nehemiah LewisGood strategy guide

- Devastating weapons and collectible locations revealed!- Multiplayer loadout breakdowns, leveling, and unlocks!- Concept art section for the hardcore Warhammer 40,000 fan!- Foreword, QA, and commentary by Game Director-
