**BradyGames : Warhammer(R) 40,000: Dawn of War- Winter Assault(tm) Official StrategyGuide (Official Strategy Guides (Bradygames))** before purchasing it in order to gage whether or not it would be worth my time, and all praised Warhammer(R) 40,000: Dawn of War- Winter Assault(tm) Official StrategyGuide (Official Strategy Guides (Bradygames)):

0 of 0 people found the following review helpful. Winter AssaultBy Gm RossWorth having to get through the different campaign levels as the tudoring doesnt explain much except the basics.Except Final Journey that level took me a while to work out .There are things in each campaign game that can be complicated or you didnt know about because the game doesnt explain it or you dont know the area or your options.At least with the book it can talk you through each level so that you are not always over run with Orks or Chaos etc.If you do get over run quit ,take a break then start again.This game is much harder than the original Dawn Of War.This book will be able to give you a bit of a

guide. Have a Happy War. 0 of 0 people found the following review helpful. Practically a collectible in its own right. By DBAs the world of Warhammer 40K has gained in popularity, largely in part because of the Dawn Of War game, there has been an increased demand for the older out of print items, even game guides. Also with many new 40K games on the horizon, including an MMO that could be the Warcraft killer, there will be an even larger demand for the out of print items. Great guide for the game but now a collectible in its own right. 0 of 0 people found the following review helpful. OK By MJAs with many of these books this is more of a long owners manual than anything else, it does give a good explanation of the game play, but not a lot of hints.

BradyGames Warhammer 40,000: Dawn of War Winter Assault Official Strategy Guide includes the following: A comprehensive walkthrough of the entire adventure. Extensive level maps. Development trees for each structure and unit advancement. Strategies for online and multiplayer options. Tips for each unit. Building and unit lists, extending back to include items from the original game. BradyGames is Official and Exclusive on this title. Platform: PC Genre: Strategy This product is available for sale worldwide.
