Mary Ann DuFresne, Marion Ellingsen : We Love the Majors before purchasing it in order to gage whether or not it would be worth my time, and all praised We Love the Majors:

1 of 1 people found the following review helpful. Finally, a Bridge Book that makes senseBy KalyThe authors do a wonderful job of easing you into bridge. They take it slowly, with lots of examples and quizzes to reinforce learning, and each chapter builds on the last. This is honestly the first bridge book I've read that seems to have been written by people who understand how to TEACH bridge. A very fine book indeed!0 of 0 people found the following review helpful. We love the majorsBy BernzThe book is great for learning bridge it is difficult learning all the rules and the bidding but I do not plan on giving up0 of 0 people found the following review helpful. we love the majorsBy julianne millereasier to understand, the oh so important, math part of bridge.liked the separate chapters in order of learning the game. the imprtance of bidding the majors for better score.

Want to learn to play bridge? Let Mary Ann Dufresne and Marion Ellingsen get you started. You won't find a clearer, simpler presentation of the basic guidelines. Plus, the authors tell you all about their winning bridge strategy: bid a major whenever you can! Unlike many beginner books, *We Love the Majors* doesn't oversimplify the game for ease of consumption. This is an honest presentation of the modern game-complexities and all-but expressed in terms everyone can understand and apply. Want to teach beginning bridge? You couldn't ask for a better student text. Students and teachers will find hundreds of examples, homework to test student knowledge and practice deals to play. The book includes an introduction to Stayman, transfers, and modern guidelines for competitive bidding. When looking for the right bid, *We Love the Majors*!
