It has humor, relational interactions, and story telling--a happy break from suspense and danger. But it's Odyssey, so there's always a mystery, right? Overall, a great album! 0 of 0 people found the following review helpful. Great Experience!! By American freedom I chose this rating because my experience was excellent. I have like everything about this product since it came as described and came quickly. I would recommend this product to everyone. 0 of 0 people found the following review helpful. Outstanding...as usual. By N. Windatt Our family has never been disappointed in any Adventure in Odyssey episode or volume of discs. The quality is unparalleled both in production and content. In fact, they're so good that my adult children still listen to them! Chalk up 20 years of Adventures for this family!

When John Avery Whittaker returns from a lengthy stay in the Middle East, the entire town of Odyssey turns out for a joyous homecoming celebration complete with fanfare and fireworks. But for Jack, Whit's arrival means an uneasy reunion and a tough decision about the future. Then, the phrase fools rush in takes on new significance for Eugene when he neglects to seek God's direction in his relationship with Katrina. Meanwhile, it looks like the mission board isn't quite finished with White, and an offer for continued foreign ministry is on the table. Will he choose to stay on at Whit's End, or will following God's plan require another long absence for him? Volume 28 contains the following stories: The Merchant of Odyssey The Right Choice, 1 2 The Secret Weapon Home Sweet Home Clara Three Funerals and a Wedding, 1 2 The Other Woman Solitary Refinement The Decision It's a Wrap!

About the AuthorFocus on the Family began in 1977 in response to Dr. James Dobson's increasing concern for the American family. From a two-room suite in Arcadia, California, Dr. Dobson began with radio-a 25-minute weekly program heard only on a few dozen stations. Focus on the Family has since become an international organization with more than 74 different ministries requiring nearly 1,300 employees. On the now-daily broadcast heard on over 6,000 facilities worldwide, Dr. Dobson still explores family issues, usually with one or more recognized experts as guests. Dr. Dobson's method attempts to "turn hearts toward home" by reasonable, biblical, and empirical insights so people will be able to discover the founder of homes and the creator of families: Jesus Christ.
